With deep sorrow we record the death of our fellow trustes and ardent coworker. Mr. John J. Deery, which occurred on the 16th Inst.

Mr. Deery was a member of the board of trustees for the past eleven years. He served on the executife committee from January, 1915, to January, 1920, and as its chairman during the year 1919. His services to the bank were of the highest bruer, he gave unsparingly of his time, to further the interests of the bank and its depositors. His extensive business activities both here and abroad did not preventium from engaging in works of charity, and the boards of many charitable institutions as well as our own will miss his wise counsel and kindly presence.

Mr. Deery was a gentleman of the highest integrity; his nobility of character, earnestness of purpose, devotion to duty and gentlemas endeared him to all. In extending our sympathy to his family we are mindful that the board has lost a loyal friend, and we an associate whose death causes a sense of personal loss.

The officers and directors of the Catholic Home Bureau for Dependent Children announce with sincere grief the death of its president, Mr. John J. Deery. For many of its formative years he was deeply interested in its welfare, and for seven years past had been its president, in this position he gave freely of his time and strength that the affairs of the Bureau might be conducted with seal already, and that its young wards might be blessed with happy home surroundings. His sympathetic touch, constructive shillies and inspiring direction will be sadiy missed by this board.
